

## **Vance Happenings**

### **November 2007**

*“Vance Happenings” is a brief monthly report regarding highlights of activities occurring in Vance County government. It is an overview of events specifically associated with actions involving the Board of County Commissioners.*

***Deer Hunting with Dogs.*** The Commissioners held a public hearing on November 5 and heard from supporters and opponents of deer hunting with dogs. After the public hearing, the County Commissioners decided to solicit volunteers for a balanced committee to review the matter and determine a strategy that could be acceptable to the entire community. The Public Safety Committee has been directed to formulate a recommendation for members of the committee. The committee is to be appointed by the full Board of Commissioners. It will then begin to meet to identify a potential strategy that could satisfactorily address concerns of all of those involved.
